Benefits of Membership

IPAA is our industry's strongest presence in Washington, D.C. These are important times. **The entire oil and gas industry remains under fire** from anti-development groups and misguided federal policymaking. **The industry needs your support now.** In addition to directly supporting IPAA's lobbying efforts on the industry's behalf, IPAA membership also offers:

- **Networking & Business Development:** Unique and high-level networking opportunities at our midyear and annual meetings, investment symposium events, NAPE expos, regional business development meetings, the Wildcatter's Sporting Clays and Wildcatter's Open Golf tournaments. In addition, access to the entire 10,000-strong membership through our printed membership directory.
- **Access to IPAA Staff:** Award winning professionals with decades of experience representing the industry in Washington, D.C. They can help you understand areas like the Federal Energy Regulatory Commission, tax and environmental regulations, land access and other issues impacting your business.
- **Access to Your Congressional Leaders:** Research the voting records of your elected officials in Congress on IPAA's priorities and contact their offices quickly through IPAA's grassroots action center.
- **Reporting:** The IPAA produces legislative alerts and periodic economic reports to give you what you need to know about industry, regulatory, and legislative efforts all around the country.

YES! Sign my company up as a Corporate Member of IPAA (or *upgrade* your IPAA Membership) at the **\$4,000** annual minimum rate which includes eight individuals, and I will receive **one complimentary registration to IPAA's 2018 Midyear Meeting, June 25-26 OR IPAA's 2018 Annual Meeting, Nov. 11-13 (a \$1,200 value!). Limited time offer.**
