WHAT

The 21st Annual Wildcatters' Ball will continue the tradition of an evening of superb cuisine, opportunities to renew old friendships and make new acquaintances, and entertainment guaranteed to entice you to the dance floor. During the very short formal program, there will be a special video message from the 2017 guest of honor. Thanks to past support of the Wildcatters' Ball more than \$8.5 million has been raised to provide for educational outreach programs around the country. These public education programs promote a better understanding of energy issues, highlight the significant contributions of America's oil and natural gas industry to our economy and way of life, and serve to educate, encourage, and develop our nation's next generation of energy industry leaders.
