

LEADERS IN INDUSTRY LUNCHEON

✦ PETROLEUM CLUB, HOUSTON, TX ✦

John Coleman Senior Research Analyst Wood Mackenzie

John leads Wood Mackenzie's North American Crude Markets Service where he is responsible for short and long term North American crude market outlooks, crude differential forecasts, and midstream logistics analysis.

Prior to joining Wood Mackenzie, John worked in sell side equity research where he supported equity coverage of independent US refiners and refining logistics midstream master limited partnerships. John also has experience in upstream financial planning and analysis and is a former officer of the United States Navy.

John holds dual B.S. degrees in economics and finance from Southern Methodist University, a M.S. in Accountancy from Texas A&M University, and a M.S. in Finance from the Indiana University Kelley School of Business. John is a Certified Public Accountant and is currently a CFA Level III Candidate.
