

Vicki Hollub

President and Chief Executive Officer
Occidental Petroleum Corporation

Vicki Hollub is President and Chief Executive Officer of Occidental Petroleum Corporation, an international oil and gas exploration and production company, and one of the largest U.S. oil and gas companies based on equity market capitalization. She has been a member of Occidental's Board of Directors since 2015.

Ms. Hollub, who began her career with Occidental in 1981, has held a variety of management and technical positions with responsibilities on three continents, including roles in the United States, Russia, Venezuela and Ecuador. Most recently, Ms. Hollub served as Occidental's President and Chief Operating Officer, overseeing the company's oil and gas, chemical and midstream operations.

She previously served as Senior Executive Vice President, Occidental Petroleum Corporation and President, Oxy Oil and Gas, where she was responsible for operations in the U.S., the Middle East region and Latin America. Prior to that, Ms. Hollub held a variety of leadership positions, including Executive Vice President, Occidental and President, Oxy Oil and Gas, Americas; Vice President, Occidental and Executive Vice President, U.S. Operations, Oxy Oil and Gas; Executive Vice President, California Operations; and President and General Manager of the company's Permian Basin operations. She started her career at Cities Service, which was acquired by Occidental.

Ms. Hollub serves on the boards of the American Petroleum Institute and Khalifa University for Science and Technology in Abu Dhabi. A graduate of the University of Alabama, Ms. Hollub holds a B.S. in Mineral Engineering. She was inducted into the University of Alabama College of Engineering 2016 class of Distinguished Engineering Fellows.
