If you are an independent producer (private or public), we ask you that you support your national industry association at a level commensurate with the annual domestic production of your company (see guidelines above). Service and supply companies and professional organizations are asked to join at a level commensurate with their size but at a minimum of \$4,500.

Tax Deduction

IPAA's Employer Identification Number (EIN) is 73-029-6927. For income tax purposes, sixty-five percent of IPAA dues payments may be deductible as an ordinary and necessary business expense, but not as a charitable contribution. Thirty-five percent of dues payments are considered "lobbying expenses" under the 1993 Tax Act and, therefore, are nondeductible. A portion of your IPAA dues payment is allocated for a one-year subscription to IPAA's official publication, *ACCESS*. Public Education Fund: Revenues received in excess of expenses may be used for general operations.
