SPEAKER BIOS

Jon Marsh Duesund

Partner & Head of Consulting Americas
Rystad Energy

Jon is a Partner and heads up Rystad Energy's consulting practice for the Americas region. Jon has been with Rystad Energy since 2009 and has led multiple projects assessing topics such as transaction due diligence, technology validation, well services, offshore drilling and subsea markets and more. He was also involved in the creation of the North American Shale Report and subsequent products which track the activity in unconventional oil and gas across United States and Canada. Jon holds a M.Sc. in Industrial Economics from the Norwegian University of Science and Technology, with specialization in operations research and process technology, including a graduate exchange program at UC Berkeley.

Karr Ingham

Economist
InghamEcon LLC

Karr Ingham is an Amarillo, Texas economist, and is the owner and President of InghamEcon, LLC, an economic analysis and research firm specializing in statewide, regional, and metro area economics, and oil & gas/energy economics.

Mr. Ingham is a native of the Texas Panhandle, and is a Magna Cum Laude BBA Economics graduate of West Texas A&M University in Canyon, Texas (and taught there for a short time as well).

Ingham conducts ongoing economic analysis and forecasting in a number of regions and metro areas in Texas and elsewhere for banks, media corporations, chambers of commerce, economic development organizations, and other clients. He also conducts ongoing oil & gas market analysis regionally in Texas and in other states, as well as oil & gas industry analysis at the statewide and national levels.

Ingham is a member of the National Association for Business Economics, and serves on various forecasting and survey panels for that organization. He is a member of the US Association for Energy Economics, holding his affiliation with the Houston chapter. Since 2003, he has served as the Consulting Petroleum Economist for the Texas Alliance of Energy Producers. He is a member of the Texas Comptroller's Economic Roundtable, a group of statewide and national economists convened to offer economic insight to the Comptroller in terms of the general condition of the Texas economy and the ongoing revenue outlook. He is the creator of the Texas Alliance of Energy Producers Texas Petro Index, a tool for tracking growth rates and industry cycles in the Texas oil and gas exploration & production sector, as well as the Alliance Texas Permian Basin Petroleum Index.

He is a past-president of the Amarillo Habitat for Humanity Board and continues to serve as a board member. He is also the drummer for Kim & the Crash, an Amarillo cover band playing an eclectic mix of rock, classic rock, alternative, and bluegrass music. Believe it or not.
