Benefits of Membership

IPAA is our industry's strongest presence in Washington, D.C. These are important times. **The entire oil and gas industry remains under fire** from anti-development groups and misguided federal policymaking. **The industry needs your support now.** In addition to directly supporting IPAA's lobbying efforts on the industry's behalf, IPAA membership also offers:

- 1. Networking & Business Development:** Unique and high-level networking opportunities at our midyear and annual meetings, investment symposium events, NAPE expos, regional business development meetings, the Wildcatter's Sporting Clays, Poker tournament, and the annual Wildcatter's Open Golf tournament. In addition, access to the entire 7,000-strong membership through our printed membership directory.
- 2. Access to IPAA Staff:** We have award-winning professionals with decades of experience representing the industry in Washington, D.C. They can help you understand areas like the Federal Energy Regulatory Commission, tax and environmental regulations, land access and other topics.
- 3. Access to Your Congressional Leaders:** Research the voting records of your elected officials in Congress on IPAA's priorities and contact their offices quickly through IPAA's grassroots action center.
- 4. Reporting:** IPAA produces legislative alerts and periodic economic reports to give you what you need to know about industry, regulatory, and legislative efforts all around the country.
- 5. But Most Important:** *To support our ongoing efforts in Washington on your behalf!*

☐ **YES!** Sign my company up as a Corporate Member of IPAA (or upgrade your IPAA Membership) at the **\$4,500** annual minimum rate which includes ten individuals, and I will receive **one complimentary registration to IPAA's Annual Meeting, June 29 – July 1 (a \$1,200 value!)**. *Limited time offer.*
