

CONFERENCE CHAIR

Mike J. Lister

**Managing Director & Group Head - Energy & Power
Corporate Client Banking Energy & Power Groups
J.P. Morgan**

Mike Lister is a Managing Director and Group Head for J.P. Morgan's Corporate Client Banking Energy & Power Groups.

The Corporate Banking Energy practice provides traditional corporate and investment banking products and services to clients in the U.S. and Canada. The portfolio is comprised of public, private and sponsor-owned companies across the exploration & production, oilfield service, midstream and power sectors. The business operates out of offices in Houston, Dallas, Denver and Calgary.

Mike has been with J.P. Morgan for over twenty eight years primarily focused on corporate and investment banking. He currently serves as the Chairman of JP Morgan Chase's Dallas Market Leadership Team.

Mike earned his BBA in Finance from Texas A&M University, where he was a member of the College of Business Administration Fellows Program.

Mike's community involvement includes past service on the boards of Big Thought, the Dallas Arboretum, and the Finance Department at Mays College of Business at Texas A&M University. Mike
