Wil VanLoh

Founder and CEO

Quantum Energy Partners

Wil is the Founder and CEO of Quantum Energy Partners, which he founded in 1998. Quantum manages a family of energy-focused private equity funds, with more than \$17 billion of capital under management. Wil also serves as Chairman of the firm's Executive and Investment Committees. In these capacities, he leads the firm's investment strategy and capital allocation process, working closely with the investment team to ensure its successful implementation and execution. Prior to co-founding Quantum, Wil founded Windrock Capital, Ltd., an energy investment banking firm specializing in raising private equity for and providing merger, acquisition and divestiture advice to private energy companies. Prior to Windrock, he worked in the energy investment banking groups of Kidder, Peabody & Co. and NationsBank. Wil sits on the boards and is involved in numerous philanthropic organizations, including the Board of Visitors of MD Anderson Cancer Center, the Board of Directors of Family Legacy and Chairman of the Investment Committee for the Kingdom Giving Fund. He holds a B.B.A. in Finance from Texas Christian University.
